Mission & Vision

Our Mission:

To provide high-quality petroleum products and services, ensuring customer satisfaction through reliability and efficiency.

Our Vision:

To be a trusted partner in Kazakhstan's energy sector, delivering excellence in fuel distribution and related services.

About Us

Samay Petroleum LLP is a leading Kazakhstani company specializing in the wholesale trade and distribution of petroleum products, including gasoline, diesel fuel, kerosene, fuel oil, and lubricants.

Founded in 2020, our refinery is strategically located to serve both domestic and international markets. Our experienced team of professionals is dedicated to ensuring the highest standards of safety, efficiency, and environmental responsibility in all our operations.

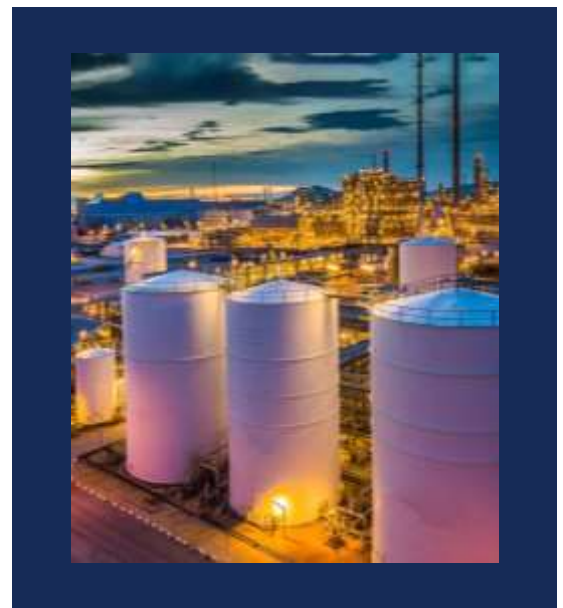

We believe in innovation and continuous improvement. We invest in advanced technologies and practices that enhance our production capabilities while minimizing our ecological footprint. Our goal is to meet the energy needs of today while paving the way for a sustainable future.

Leadership Commitment

“At Samay Petroleum, we see fuel as more than a commodity — it’s a catalyst for development. That’s why we don’t just deliver petroleum products. We deliver on trust, timelines, and transformation. Our leadership team is committed to innovation, ethical business practices, and building long-term partnerships that benefit not just our clients, but the economy and environment we share.”

— Executive Team, Samay Petroleum

How We Work

- **Client-Centric Approach:** We listen first.
- **Tailored Solutions:** We provide personalized fueling setups and schedules.
- **Efficient Logistics:** Our delivery systems ensure timely supply, every time.
- **After-Sales Support:** We stay with you, long after delivery.

Our Services

Company

Crude Oil Production

We extract crude oil using advanced techniques to ensure optimal yield and quality.

Oil Refining

We transform crude oil into high-quality petroleum products for diverse applications.

Gas Processing

Our facilities efficiently process natural gas to meet industry standards and demands.

Wholesale & Trading

Our trading services connect buyers and sellers, facilitating smooth energy transactions.

Our Products

Portfolio

We supply a comprehensive range of high-quality petroleum and petrochemical products to meet the diverse needs of industries, transportation, agriculture, and communities across Kazakhstan. Our product line includes:

Gasoline – High-octane fuels suitable for various engine types.

Diesel Fuel – Clean, efficient diesel options for commercial and industrial use.

Jet Fuel / Kerosene – Reliable fuel for aviation and heating applications.

Marine Fuel / Fuel Oil – Robust fuels designed for maritime and heavy-duty industrial equipment.

Lubricants – Premium oils to enhance machinery performance and extend lifespan.

We're constantly expanding our portfolio to align with client needs and evolving industry standards.

Our Project

Project:
Integrated Fuel
Supply Chain –
Northern Region

- Set up on-site refueling stations for agricultural producers
- Trained local teams on safe fuel storage
- Reduced fuel delivery times by 38%
- Partnered with logistics firms to streamline access

The Company Values

At Samay Petroleum, our values are more than just words — they are the foundation of how we operate, lead, and grow. They guide our decision-making, define our relationships, and ensure we consistently deliver exceptional service and sustainable solutions to our clients.

By staying true to these values, we've earned the trust of partners across industries — from agriculture to aviation — and built a reputation for reliability, ethical leadership, and long-term partnership.

Our Core Values

- **Integrity** – We deliver what we promise.
- **Responsibility** – Safety, compliance, and sustainability.
- **Efficiency** – Maximizing value through smart logistics.
- **Partnership** – Growing together with our clients.

Partner with Us

At Samay Petroleum, we don't just deliver fuel — we deliver reliability, expertise, and a partnership you can count on. Whether you're running a nationwide logistics fleet, managing agricultural operations, or fueling your business expansion, we're here to move you forward.

Let's explore how we can create long-term value — together.
